You can see 3 board

To Play, just type the number

of the cave you wish to enter next

you are in board 1

which cave next

you are in board 0

which cave next

you are in board 1

which cave next

you are in board 1

which cave next

you are in board 1

which cave next

you are in board 0

which cave next

you are in board 0

which cave next

you are in board 1

which cave next

you are in board 2

I felt a breeze pit close by

which cave next

you are in board 0

which cave next

you are in board 1

which cave next

you are in board 1

which cave next

you are in board 2

I felt a breeze pit close by

which cave next

you are in board 1

which cave next

you are in board 2

I felt a breeze pit close by

which cave next

0.0

you fell in a pit
